18/08/2015

As announced in SAP Note 2008017 (LC ES Sistema de Liquidación Directa (SLD) - Cret@ project), the **Gestión de Estados** (Status Handler) framework has been released for all customers. The solution consists in a set of tools for managing the SLD files processes, including the creation of the **Gestión de Estados** (3393) Infotype and a program to search, view, and change statuses of multiple employees.

Please, perform the following steps to install the solution:

1. Apply the prerequisite notes

- 2184102 - UTIL: CCC generic filter class
- 2184159 - UTIL: Enhancements to exception classes and utility classes
- 2191561 - UTIL: Function module for Event ID search help

2. Apply the advanced delivery note with dictionary objects

- 2189866 - SH: Status Handler and Infotype 3393 - adv.deliv.note

At this point, a syntax error might occur when activating object MP339300. You can ignore this issue, since this will be fixed by the end of step 3.

3. Apply the infotype and report notes in the following order

- 2184284 - SH: Utilities classes for Status Handler Framework
- 2184579 - SH: Creation of Infotype 3393 for Status Handler Spain
- 2184688 - SH: Status Handler Framework

Do not activate the objects of these notes until all of them are implemented. Then, go to transaction SE38 and activate object MP339300. At this step, select all inactive objects that are shown and activate all of them together.

4. Apply the notes that enable the use of the framework by SLD reports

- 2180749 - SLD: Status Handler enablement for bases file report
- 2206566 - SLD: Technical enhancements to the enablement of Status Handler for bases file
- 2188177 - SLD: Files Processing - Status Handler enablement for Response file

OBSERVATIONS:

- As described above, SAP recommends that you apply all the notes listed in steps 2 and 3 before activating the installed objects
- A rollout document will be released in the next days with relevant information regarding the installation and use of the solution

28/01/2013

It has been released the SAP Note 1815104, which updates the Reason for registration (Motivos del alta) field values.

25/01/2013

The following SAP notes have been released in order to correct some general issues that were found recently when performing the Informes de I.R.P.F. (RPC190E0) report:

- 1811097 - 190: Correction of SAP Note 1770044
- 1811825 - 190: Issues with arrears processing after SAP note 1754324
- 1814601 - 190: Issues considering irregular incomes after note 1754324

17/01/2013

A CLC package will be available in February for Spain. It is planned to be released on 14.02.2013 for versions 470 and higher.

16/01/2013

It has been released a new version (0003) of SAP note 1806981 (IRPF 2013: Tax perc. for chartered provinces adv.deliv.note) with new CUSTOMIZING adv. deliv. (SAR/CAR) files. These new files replace the old ones existing in the previous version (0001) of this note. If you have already applied SAP notes 1804611, 1806348, 1807526 and 1808960 manually, it is not necessary to apply the CAR files.

14/01/2013

It has been released the SAP Note 1808960 with some manual corrections needed to correct some wrong values in the V_5E40_A view, related to IRPF 2013 for Alava and Gipuzkoa.

10/01/2013

It has been released the SAP Note 1808021 (Ley 17/2012: New IT and IMS contributions for CNAE 2013) which updates the IT and IMS contribution values for specific CNAE numbers as described in the announcement SAP Note 1805269.

09/01/2013

SAP note 1806981 (IRPF 2013: Tax perc. for chartered provinces adv.deliv.note) is now available; it contains the CAR files with the customizing delivered in SAP notes 1804611 and 1806348. If you want to receive the note with the CAR files, create a customer message asking for this note and we will include you as pilot customer of this note. If you have already applied SAP notes 1804611 and 1806348 manually, it is not necessary to apply the CAR files.

08/01/2013

SAP notes 1804345 and 1804548 have been released with the general IRPF 2013 legal changes and with the relative corrections for Massive Generation of IRPF functionality respectively. These notes contain the required legal changes published by the tax authority in Spain and are valid from January 2013.

04/01/2013

It has been released the note 1806139 (Contributions Amounts 2013) which explains how to maintain the new contribution amounts according to General State Budgets (Presupuestos Generales del Estado)

for the year 2013 and the interprofessional minimum monthly wage for the year 2013.

04/01/2013

SAP Note 1806348 has been released with the new values for IRPF 2013 to address for Foral Decree 48/2012, from December 28, regarding IRPF 2013 for Gipuzkoa.

04/01/2013

SAP Note 1803961 has been released with relevant system changes to address to Boletín de Noticias RED 10/2012 of December 17, 2012.

02/01/2013

See notes below for more information about recent legal changes for 2013:

- 1805269 (Bases and contributions for Social Insurance 2013)
- 1804556 (IRPF: New tables for tax indicators Vizcaya 2013)
