

2544538 - SLD: XML file generated for employees with fixed contributions and no allowance

Version	3	Type	SAP Note
Language	English	Master Language	English
Priority	Correction with medium priority	Category	Correction of legal function
Release Status	Released for Customer	Released On	17.10.2017
Component	PY-ES (Spain)		

Please find the original document at <https://launchpad.support.sap.com/#/notes/2544538>

Symptom

You run the SLD: fichero de bases (RPC_PAYES_CRETA_BASES) report processing an employee with a fixed contribution type CCC. A XML file is being generated even when there is no entry in the Importes de servicios sanitarios p.empr.colab.S.S. (V_T5E07) view.

Other Terms

&SLD - PC00_M04_CRETA_BASES - Transaction (for more information, see SAP Note [1071282](#))

Reason and Prerequisites

As there is no entry in V_T5E07 for the Bonificación FP(V_T5E07-CA80) field in the current period, no XML file should be generated.

This SAP Note is relevant only for Spain.

This issue is a side effect caused by the solution delivered by SAP Note 2479008.

Good to know: when you install an SAP Note, some prerequisites might be required. The prerequisites are SAP Notes that were already released and that change the same context of the current SAP Note. So, even if these prerequisites are not necessarily related to the symptom of the current SAP Note, you should implement them due to technical reasons.

The following Support Package level is the minimum prerequisite:

Release	Support Package
6.08	HR SP 27
6.04	HR SP 99
6.00	HR SP D3

(For more information, click "HR Support Packages Schedule" in support.sap.com/maintenance-schedule)

Solution

Now the RPC_PAYES_CRETA_BASES will report a liquidation level concept only when processing a fixed contribution employee and if there is a valid amount for V_T5E07-CA80 in the current period.

Good to know: during the piloting phase, this SAP Note may be updated and versioned depending on feedback from pilot customers. After this SAP Note changes to status Released for Customer, it will not be changed anymore, unless there is a very specific situation that demands changes. In this case, a reason for the change will be specified in the SAP Note.

Version	Date	Reason
3	October 17, 2017	Released for Customer

As a general rule, SAP recommends that you install a solution by applying a Support Package. However, if you need to install the solution earlier, proceed as follows:

1. Use Note Assistant (SNOTE) to implement the correction instructions.

You can find more information about the Note Assistant in SAP Service Marketplace, under [SAP Note Assistant](#).
