

# 2493660 - CALC: /3P9 surpassing the monthly maximum in case of payroll split

Version	2	Type	SAP Note
Language	English	Master Language	English
Priority	Correction with medium priority	Category	Correction of legal function
Release Status	Released for Customer	Released On	08.11.2017
Component	PY-ES ( Spain )		

Please find the original document at <https://launchpad.support.sap.com/#/notes/2493660>

## Symptom

You run the Cálculo de nómina española (RPCALCE0) report for an employee with payroll splits in a month with 31 days. This employee contributes less than the monthly maximum amount. The sum of the amounts of the Límite de cotización de contingencias de AT y EP (/3P9) wage types of all payroll splits surpasses the monthly maximum amount.

Example:

An employee has three payroll splits in May with the following wage types:

1. 05/2017 ( 01.05.2017 - 05.05.2017 )  
/343 = 453,93  
/3P9 = 625,20
2. 05/2017 ( 06.05.2017 - 26.05.2017 )  
/343 = 1.681,41  
/3P9 = 2.625,84
3. 05/2017 ( 27.05.2017 - 31.05.2017 )  
/343 = 400,33  
/3P9 = 625,20

The sum of the /3P9 amount is 3.876,24. Therefore, to limit the sum to the monthly maximum amount (3.751,20), the expected amount for /3P9 of the last split should be 500,16.

## Other Terms

&CALC - PC00\_M04\_CALC (for more information, see SAP Note [1071282](#))

## Reason and Prerequisites

The /3P9 was only being adjusted when the /343 was also adjusted not to surpass the monthly maximum amount.

Good to know: when you install an SAP Note, some prerequisites might be required. The prerequisites are SAP Notes that were already released and that change the same context of the current SAP Note. So, even if these prerequisites are not necessarily related to the symptom of the current SAP Note, you should implement them due to technical reasons.

The following Support Package level is the minimum prerequisite:

Release	Support Package
6.08	HR SP 28
6.04	HR SP A0
6.00	HR SP D4

(For more information, click on "HR Support Packages Schedule" in [support.sap.com/maintenance-schedule](https://support.sap.com/maintenance-schedule))

## Solution

Now the /3P9 is adjusted independently from the /343 wage type.

Good to know: during the piloting phase, this SAP Note may be updated and versioned depending on feedback from pilot customers. After this SAP Note changes to status Released for Customer, it will not be changed anymore, unless there is a very specific situation that demands changes. If this is the case, a reason for the change will be specified in the SAP Note.

Version	Date	Reason
2	November 8, 2017	Released for customer

As a general rule, SAP recommends that you install a solution by applying a Support Package. However, if you need to install the solution earlier, proceed as follows:

1. Use Note Assistant (SNOTE) to implement the correction instructions.

You can find more information about the Note Assistant in SAP Service Marketplace, under <https://support.sap.com/kb-incidents/notes/assistant.html>.
