Reason and Prerequisites

There was no check of the existence of the spouse's NIF if the "Con Cónyuge al cargo" option was selected in the SITPER field when creating or editing an entry in the infotype.

This SAP Note is relevant only for Spain.

Solution

The spouse's NIF is now checked. If it's empty or if no spouse is found in the Familia/pers.refer. (0021) infotype, the "El cónyuge no existe o no tiene informado su NIF"(5E 148) warning message is displayed.

Good to know: during the piloting phase, this SAP Note may be updated and versioned depending on feedback from pilot customers. After this SAP Note changes to status Released for Customer, it will not be changed anymore, unless there is a very specific situation that demands changes. In this case, a reason for the change will be specified in the SAP Note.
